

MoDOT Technician Certification Course Calendar

MoDOT Technician Certification Program (TCP)

The calendar of available course dates and locations follows. This calendar is updated as new courses are added. If a specific course or location is not on the calendar, please call for further information as to future availability. Course descriptions, cost and locations are found in [Figure 2](#), Certification Courses.

For additional information please contact Donna Hoeller at 573-522-2742 or via email at:

Donna.Hoeller@modot.mo.gov.

TO APPLY for certification courses offered at the **State Technical College of Missouri (STC)**, go to the web address below and sign up with the college. See the address below. If you have questions on how to do this, call the number 573-897-5330.

statetechmo.edu.

or contact:

modotins@statetechmo.edu

One Technology Drive

Linn Missouri 65051

573-897-5330 or fax 573-897-5035

TO APPLY for certification courses offered at the **Missouri University of Science & Technology** and **MoDOT**, fill out the application in ([Figure 1](#)) PRINT it, FILL it out, SIGN it, and SUBMIT it to the TCP office by fax, mail or email below.

NOTE: if you cannot get (Figure 1) to work, email me at Donna.Hoeller@modot.mo.gov and ask for an application and I'll send one to you.

If you have questions call: 573-522-2742

MoDOT Technician Certification Program (TCP)

TCP@modot.mo.gov

P.O. Box 270

Jefferson City, MO 65102

Phone: 573-522-2742 or Fax: 573-526-0857

Department of Civil, Architectural and Environmental Engineering

[Mike Lusher smlush@mst.edu](mailto:Mike.Lusher@mst.edu)

112 Butler-Carlton Hall

Rolla, Missouri 65409-0030

(573) 341-4457 or fax 573-341-4729

Class sizes will be limited and filled on a first-come, first-serve basis.

All certification courses require a minimum of 8 applicants to conduct. If a class has less than 8 applicants the class may be canceled and the applicants for that class rescheduled.

MoDOT Technician Certification Course Calendar

CANCELLATION POLICY

If you need to cancel, you must inform State Technical College of Missouri (STC) or Missouri University of Science & Technology, 10 calendar days prior to the course date to receive full credit for the course fees. Cancellations within 10 calendar days of the course will cause course fees to be forfeited. Check the individual websites for more specific information.

Please coordinate all cancellations directly with contacts listed above.

The charges for the training at STC will be invoiced once your application is received and you have been accepted into the course(s) of your choice. Payment/and or payment arrangements are required *prior* to attending the course.

The charges for the training at MST and MoDOT will be invoiced once you have completed the course(s) of your choice.

Courses offered on the calendar may be subject to cancellation due to low enrollment. A course will be cancelled no later than 10 calendar days prior to the start of the course.

Classes are not normally cancelled due to inclement weather; please check the website for a cancellation notice or call the contact person listed. Don't hesitate to call if you have questions.

Class Preparation

Please come to class with a calculator and pen. Dress in work clothes, which may become dirty during proficiencies. Please review the math topics listed under [Math Topics](#) on the Technician Certification Program page of our website. **The content of the Math Topics is basic information you will need to successfully complete your certification courses.**

You are encouraged to use the [TCP Manuals](#) that are on-line to prepare prior to attempting certification.

Renewals for some courses are accomplished by passing a written examination and proficiencies. These may require the student to self-study *prior* to attempting certification in order to be successful.

Renewals

The following renewals will be conducted by taking a written exam and performing hands on proficiencies.

Aggregate Technician Renewal
Bituminous Technician Renewal
Soil Density Renewal

Concrete Field Renewal
Concrete Strength Renewal
Plasticity Index Renewal

Renewal courses are only open to those applicants who are currently certified in the course. Apply for a course preferably on-line or use Application Form – MoDOT Technician Certification Program [Figure 1](#). This form is available in an electronic version that can be emailed to Robert “Sam” Marshall at the above address or by printing and faxing or mailing. The fax number and address are located on the form.

Courses vary in length from 1/2 day to 5 days. See [Figure 2](#), for course descriptions, prerequisites, length and cost. The date, location and status of courses are listed in the calendar. Start times vary and are indicated for each course. Class times at MST and STC will be provided with other course details to be sent once accepted into the course.

Status of courses is listed in the calendar. The following key indicates the status meaning.

OPEN – applications being accepted for this course.

Full/Closed – course is full, no applications accepted for this course.

Pending – course date and location not yet confirmed. No applications accepted for this course.

CANCELLED – Course cancelled due to lack of enrollment or other factors.

Acceptance will only be made once all required information is provided.
